really relevant in the HR world. It seems that with our industry it's ever changing. This month you'll have the opportunity to hear about legislative changes that have been made along with a status report on changes that are yet to come. If you haven't registered for the June meeting be sure to do so as soon as possible.

The June Membership meeting will be held on Thursday, June 8, at the NWA Board of Realtors. Sheila Moss, our Legislative Chair, has put together a great group of people for a panel discussion on legislative topics. Thomas Dunlap will re-cap the Washington DC SHRM Legislative Conference and the recent Arkansas legislative actions; Kelly Majdan will update us on the DOL Fiduciary Rule implementation; Cammie Scott will provide updates on ACA legislative progress and implications; and Sheila will update us on immigration issues and recent agency actions.

Would you like to be more involved with NOARK? We're always looking for additional volunteers to serve on our committees and we would welcome your service. We will soon begin the process of recruiting individuals for next year's committee chairs. Please give me a call if you'd like to learn more information in serving NOARK in this capacity.

Everyone stay safe out there this summer!

Best Regards,

Tammie Edrington
2017 NOARK President
