2019 President's Message
It's finally Fall! (although, I must admit, it doesn't really feel like fall outside yet). I love this changing season where the leaves are changing, the pumpkins are everywhere, and the kids are gearing up for the Halloween festivities. And we are gearing up for a great meeting. This month we are changing up the format of our program and gathering the information from YOU - our members on what stumps you or what information you can volunteer to someone else. Situations that you would like another opinion or advice. Knowledge that you can provide to your fellow HR colleague. We are all in the crazy thing called HR together and things are not always black and white. Come and be prepared to be engaged and let's learn from each other! We will be back at the NWA Realtors Building and I look forward to seeing you there!

"HAUNTING QUESTIONS ABOUT HR ANSWERED HERE?"

"Haunting Questions about HR Answered here?"
Every day we have those situations that come up that we often wish we could look into a crystal ball and see how other HR Professionals had taken care of a similar situation in the past. Well fortunately for us we don’t need a crystal ball we have each other. Join us on October 10th as we ask our fellow NOARK members to assist us with those scary situations.

Send your questions to info@noark.org and we will do our best to answer every haunting question you have.

Sara Staley, NOARK President will facilitate this question/answer format.
